

Simple, Secure, Reliable  
Online Booking Solution

## TOUCH SCREEN KIOSK

Acebook touch screen kiosk solution is ideal in your club house, in particular for members who might not have any internet connected device at home.

Acebook kiosk app shows the exact same friendly interface that you are already used to, for consistency. The kiosk is dedicated to your booking page. This prevents people from accessing any other internet application.

Acebook kiosk includes:

- 10" android Tablet and power supply, which is sent to you preconfigured and locked to your club's booking page.
- Robust wall mount and bracket, which neatly secures the tablet to the wall, to be fitted by you on-site.

The total cost is €860 euro including VAT and excluding the shipping cost (available on request). Please contact [info@bookacourt.net](mailto:info@bookacourt.net) if you would like to place an order.
